

# Shirley Johnson Psychotherapy Services

## Address and Postcode:

Pure Offices, Brooks Drive, Cheadle Royal Business Park, SK8 3TD

## Directions

- Turn off the A34 at the main 'John Lewis' roundabout and take the exit into Cheadle Royal Business Park. Drive past the Premier Inn on your left and up to the next roundabout which is the entrance to the David Lloyd Sports Centre and Cheadle House.
- Take the 3rd exit here to carry on into the Business Park. You come very quickly to another roundabout. Go straight across here and over the concrete bridge. The large building facing you straight ahead is Pure Offices.
- The car park is at the rear, reached by turning up the left hand side of the building.

## Parking

There is sufficient parking but as you do not have a parking permit you must park in the right place or risk getting a ticket. Disregard what is painted on the ground and follow the signs which indicate where non permit holders are able to park. This is in the first row parallel to the back of the building and along the wall around the far side, including the disabled spaces if necessary.

## Entrance

This is at the rear of the building, too, and clearly marked. You will get through the first door but need to put my room number into the keypad on the wall to get through the second door into the Reception area. This number is 33, then press the green button. This rings in my room and I can unlock it remotely for you from there. Please make yourself at home in the Reception area until I come and find you.
